Are you caring full-time for a grandchild or other relative's child? You may not be aware of the support or assistance that may be available to you through the Kinship Caregiver Program for the extra burden that another member of the household can place on an already stretched budget or fixed income. There may also be support in the way of connection with others in the same situation. Check with your neighborhood Catholic Charities office or call 856-4494.

Parenting Perspective. "I was a stranger and you made me welcome." (Mt 25:35) Who are the strangers or newcomers in your family's life? It might be in-laws, your kids' friends, or a recent immigrant. Don't know any newcomers? Maybe it's time to widen your circle of friends. Introduce your child to someone of a different ethnicity or class.

20th Sunday in Ordinary Time

The mother in today's gospel persisted, even when she was ignored and insulted. She would do whatever is necessary to bring relief to her child. Parenting is more than bringing life into the world; it is also about sacrificing daily for your children.

Marriage Moment

Religious people sometimes debate who has the hardest vocation—a priest who lives a celibate life? A single person who lives in solitude? A single parent who does double duty? Or perhaps it is the married couple who constantly refine each other by pointing out each other's faults and asking for a change.

Catholic League 2011 Appeal

The Catholic League Appeal for Religious Assistance to Poland takes place throughout the month of August in our diocese. Through the Appeal we help the Bishops of Poland send young, talented priests for higher studies to the Pontifical College and the Pontifical Institute in Rome and Polish Seminary in Paris, France. Without our assistance at least one of these seminaries would be forced to close. Through your generosity last year, the Catholic League was able to help educate over one hundred priests. Indeed, Poland continues to help us by sending priests to our diocese and many others as well.
