

Broadway-Fillmore Neighborhood Housing Services, Inc.

Is a non-profit agency with a mission of improving housing in our Fillmore Avenue neighborhoods for low and moderate-income residents.

BFNHS is interested in helping income-eligible owner-occupants in making needed improvements to their homes (ex: window replacements, roof repairs, furnace replacements, electrical or plumbing system upgrades).

If you are a homeowner in our Fillmore Avenue service area and you meet the household income levels, then please return the attached questionnaire to Broadway-Fillmore NHS.

- ✚ This is not a guarantee that you will be eligible for, or receive a grant. BFNHS will use your basic income and property information in grant applications to demonstrate to New York State and federal funders that there is a need and desire for grant programs in the neighborhoods we serve.
- ✚ We will also put your name on a housing rehabilitation waiting list to contact you in the case we do receive grant funds to help you make repairs to your house.
