PROJECT LOCATION

Project Description

The New York State Department of Transportation is proposing to resurface Broadway from Fillmore Avenue to Bailey Avenue. The project includes new asphalt pavement, drainage repairs and a new striping layout which will add dedicated bicycle lanes and maintain parking lanes. The re-striping will reduce the number of travel lanes from four lanes to two lanes. A two-way left turn lane will be included for the length of the project.

Project Objectives

The New York State Department of Transportation is dedicated to serving the people of New York State. The objectives for this project are to:

1. Resurface Broadway to improve the roadway and extend the life of the pavement.
2. Re-stripe Broadway to include dedicated bicycle lanes at the request of the City of Buffalo Department of Public Works.

<u>Current Project Schedule</u>	<u>Current Lane Configuration</u>
Construction Begins.....Summer 2014*	Four (4) travel lanes (11' wide) Two (2) parking lanes (8' wide)
Construction Completion.....Fall 2014	<u>New Lane Configuration</u>
* Pending Funding Availability	Two (2) travel lanes (11' wide) One (1) two-way left turn lane (11' wide) Two (2) bicycle lanes Two (2) parking lanes (8' wide)
Funding – The proposed project is financed with Federal funds.	

*Broadway - Proposed Re- Striping
Three Lanes w/5' Bike Lanes*
