"The object of a New Year is not that we should have a new year. It is that we should have a new soul and a new nose; new feet, a new backbone, new ears, and new eyes. Unless a particular man made New Year resolutions, he would make no resolutions. Unless a man starts afresh about things, he will certainly do nothing effective."

Gilbert K. Chesterton

Fuel Fund

We thank everyone for the prayer & consideration they are giving our Gas & Electric Fuel Fund. As the weather changes and the really cold weather approaches the seriousness of our situation deepens. Please continue your prayers and reflection about your role in the solution. To date we have raised \$5,548.00. Thanks.

"Take a leap of faith and begin this wondrous New Year by believing. Believe in yourself. And believe that there is a loving Source - a Sower of Dreams - just waiting to be asked to help you make your dreams come true."
