YOU are Invited to a Community Presentation detailing findings from a Community Assessment Report that focused on the revitalization of the two Fillmore Corridor neighborhood business districts of Broadway-Fillmore and Martin Luther King

Teresa Lynch, one of the two Main Street® specialists who participated in the Assessment Visit (which occurred June 8-11, 2015) and authored the follow-up report, will:

✚ Describe present status of *Fillmore Forward*, the Fillmore Corridor organization charged with managing revitalization activities for both the MLK and Broadway-Fillmore commercial districts.

✚ Introduce members of the *Fillmore Forward* board as well as committee volunteers who have already signed on to help.

✚ Present Assessment Report observational highlights and recommendations which will form the basis for a work plan undertaken by *Fillmore Forward's* four volunteer committees.

✚ Explain the Main Street Four Point Approach® to downtown and neighborhood business district revitalization.

✚ Allow for a Question and Answer period to get comments and respond to questions from the audience.
