**ST. PAUL CENTER  
FOR BIBLICAL THEOLOGY**

*By Dr. Scott Hahn*  
**Son of Mary**

As we've walked with the apostles in the Gospels in recent weeks, we've witnessed Jesus command the wind and sea, and order a little girl to arise from the dead.

But He seems to meet His match in His hometown of Nazareth. Today's Gospel is blunt: "He was not able to perform any mighty deed there."

Why not? Because of the people's lack of faith. They acknowledged the wisdom of His words, the power of His works. But they refused to recognize Him as a prophet come among them, a messenger sent by God.

All they could see was how much "this man" was like them - a carpenter, the son of their neighbor, Mary, with brothers and sisters.

Of course, Mary was ever-virgin, and had no other children. The Gospel refers to Jesus' brothers as Paul refers to all Israelites as his brothers, the children of Abraham (see Romans 9:3,7).

That's the point in today's Gospel, too. Like the prophet Ezekiel in today's First Reading, Jesus was sent by God to the rebellious house of Israel, where He found His own brothers and sisters obstinate of heart and in revolt against God.

The servant is not above the Master (see Matthew 10:24). As His disciples, we too face the mockery and contempt we hear of in today's Psalm. And isn't it often hardest to live our faith among those in our own families, those who think they really know us, who define us by the people we used to be - before we chose to walk with Jesus?

As Paul confides in today's Epistle, insults and hardships are God's way of teaching us to rely solely on His grace.

Jesus will work no mighty deeds in our lives unless we abandon ourselves to Him in faith. Blessed then are those who take no offense in Him (see Luke 7:23). Instead, we must look upon Him with the eyes of servants - knowing that the son of Mary is also the Lord enthroned in the heavens.

**Elder Law & Medical Care Day St. Katharine Drexel**

**Saturday, July 13, 2024 at 11 a.m.**  
In the Parish Meeting Room

*All Parishioners Invited to Attend*

Pope Francis teaches that "The family is the fundamental locus of the covenant between the Church and God's creation." As Catholics, we take our responsibility to older family members seriously. Part of this responsibility involves making decisions about our future health care and the care of others ahead of time to improve our quality of life and protect our loved ones. Our office receives questions every day about health care planning, how to protect one's money in the face of health issues, Medicaid planning, and protecting their family's home.

Most people put off health care decision making until it's too late. Relatively simple documents, called advanced directives, are available to protect one's personal wishes and individual autonomy. Alarming, most people do not have the most basic documents needed to protect them in the event of a healthcare emergency. As a service to our church, we are holding this event to distribute and prepare healthcare proxies for all interested parishioners. There is no cost for this service.

Additionally, please join us for a special talk on senior health, with a focus on eye health with Dr. John Legarreta, M.D. who will discuss the most common threats to vision as we age, how these conditions can affect mobility and safety, along with what steps can be taken to treat and prevent vision loss that comes with age. Don't miss this opportunity to enhance your understanding of preserving one's vision as well as asking medical questions in a welcoming environment!

*All parishioners attending this seminar will be provided with a free healthcare proxy. All questions about elder law and estate planning will be answered at no cost.*

Special Needs Planning	Powers of Attorney
Wills & Trusts	Elder Neglect/Abuse

*The event will take place Saturday, July 13, 2024 from 11:00 a.m. – 12:30 p.m.*

All parishioners, family, and friends of the parish are welcome to attend. Health care proxies will be distributed and prepared at no cost as a service to our Parish. Refreshments will be served.

Some people feel like they aren't perfect enough to be a priest or religious. But even St. Paul had a "thorn in the flesh" which God would not take away. Instead Jesus told him "Power is made perfect in weakness." If He calls you, He will supply the strength. Learn more at [buffalovocations.org](http://buffalovocations.org) or call Fr. To be truly independent,  
your personal emergency device  
needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp.
